### Tree Hunt

We are on the hunt for Clayton's oldest trees. Look up! How big is your biggest tree? If you know of an old tree in Clayton, e-mail Sally Cohn at [cohn.sally@gmail.com](mailto:cohn.sally@gmail.com) with the address of a tree by March 1, 2013. Then stay tuned!

### CCF Receives \$50,000 for the New Dog Park

The new Clayton Dog Park project has received a generous contribution from Clayton residents, David and Lynne Anderson.

"Lynne and I live in Clayton, work in Clayton and were married at the Ritz Carlton so we greatly appreciate the benefits of living in a well-run, self-contained community. It is a great pleasure to do our small part to help enrich the lives of our fellow citizens and their pets."

The park will be renamed Anderson Park. The naming rights have already been approved by the Board of Aldermen. To read the full Patch article, visit the [Clayton-Richmond Heights Patch](#).
